PERFORMANCE FOR LIFE GUARANTEE

This guarantee applies to HANSEN PREMIUM LINE brands only.
At Coastal, we believe hardware should perform for its whole life.
That's why we offer our **Performance for Life Guarantee**.

What this means

If in the unlikely event your HANSEN PREMIUM LINE handles fails under normal use, we will replace the product and cover the labour cost of re-fitting it

How a claim works

- Replacement is like-for-like
- Replacement work may only proceed once the estimated time needed to complete the work including travel, has been mutually agreed
- Cost of equipment hire not included (we only cover cost of replacement product and labour to fit)
- Coastal not liable for redecoration or incidental damage during replacement
- One replacement per product per purchaser (exceptions investigated case-by-case)
- Valid from 1st January 2026
- A photo of the failed product is required
- The original installer should fit the replacement where possible
- If they are unavailable, Coastal will help find local installer

T 01726 871 025

E sales@coastal-group.com

What's included

- ☑ Replacement product
- ☑ Replacement fitting cost (labour element only)

What's not included

- ☒ Damage caused by misuse or accidents
- ☒ Failure caused by not following our care and maintenance guidance
- ☒ Changes or alterations made without approval
